We broke in too

Look guys, no doubt in my mind there were some actors instigating things. But let's accept some blame or should I say let's accept some credit. We stormed the capital. It was a bold move and we did not insight violence or destruction aside from a few windows. Maybe things didn't go down exactly as expected today but this day will be remembered for the rest of our lives. RIP to Ashley Babbet. It is beyond messed up what happened to her.

5 The people in dc made me proud today. Wether it was antifa or patriots matters very little to me.
